About Talking Stick Golf Club

Immerse yourself in beauty, history, and tranquility as you begin your journey through the Sonoran Desert at The Valley of the Sun's finest resort. The wildlife calls. Answer it. Charge your spirit, along with your phone, as you roll through the landscape. Let your senses guide you around the course, and you're sure to get lost in the experience. Grab a Talking Stick and record your own story. Talking Stick Golf Club's O'odham Course, with its broad, angular holes, rewards thoughtful play through the rise of its many options according to one's level of skill. Its low profile, slightly crowned greens and close-cropped approaches encourage running as well as aerial assaults.
