Golf Today, Change Tomorrow

Our brains experience explosive growth in the first five years of life and Southwest Human Development is there to support families with young children to navigate and thrive through these early years.

By supporting the Easterseals Golf Classic, you are making the following possible.

- Identification of and interventions to support children diagnosed with autism
- Nutrition counseling for a child struggling to gain or maintain weight at developmental milestones
- Nurse professionals to guide families welcoming home a premature baby
- Assistive devices for children unable to sit or walk on their own

The ADAPT Shop team is helping Ellie with her crawling and walking goals!
